Overview

Best time to visit Kalu Waterfall trek is July-October, It's an easy difficulty trek at a short distance from Mumbai in Malshej ghat near Aadrai and Naneghat. This trek takes you through a special scenic route through Lush green Forest. We'll be crossing many water streams and Waterfalls on our way. Join us to experience Malshej in it's peak beauty. Malshej Ghat is a very old trading route , which is now more like heaven on earth. There are multiple waterfalls on the entire route, and even the travel to reach the base village is through a very scenic route. This trek is also known as God Valley via old Malshej Ghat is safe and suitable for girls, women, and solo travelers. Other Popular locations are Aadrai, Sondai, Naneghat, Devkund, Nanemachi.

Other recommend **One-Day Treks** are as follows:

- Aadrai Jungle Trek
- Naneghat Reverse Waterfall Trek
- Devkund Waterfall Trek
- Kalsubai Trek
- AquaChime Waterfall Trek.
- Andharban Trek

Did you know ?
The events conducted by Mischief Treks are exclusive. We do not buy bookings from a cheap organiser, nor do we sell your booking to a cheaper organiser. Each participant is purely Mischief Treks participant. This truly helps in having a class of people in each batch which in turn exponentiates the group experience. Yes, we do filter out unwanted people during enquiry phase itself.
